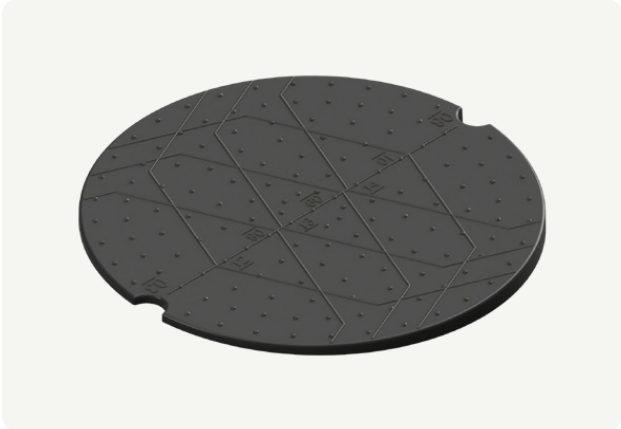
05 · PAD SERIES — TOP AND BOTTOM PADS

Pad Series

Top pads and slope-compensating bottom pads for KP, KPS and KPF-13



Pads complete the pedestal system. KA-PDT-2 sits on top of KP and KPS pedestals to cushion the tile and reduce footfall noise; KA-PCB-8 sits under the base and compensates a 2° slope. KA-F13 P1 and P3 are top pads for KPF-13.
